New Firefighter for Mount Vernon

MOUNT VERNON - The Mount Vernon Fire Department (MVFD) welcomed Jack Carter as their newest firefighter/paramedic this week. Carter graduated from New Albany High School then received his Bachelor's Degree in Business Marketing from Iowa State University, where he also played on the golf team. His love for the teamwork that firefighters bring to the table was quickly established after doing ride time in Columbus. Carter received his Professional Firefighter Certification through the Ohio Fire Academy and his Certified Paramedic training through Central Ohio Technical College. Jack and his wife Emily reside in Mount Vernon, where he also works as a part-time firefighter for the College Twp Fire and Eastern Knox County Joint Fire District.
