## General Information

In order to provide a better understanding of the appeals process, we have compiled answers to the most frequently asked questions. Any questions regarding the appeals process can be directed to the Development Services Manager at (740) 393-2033.

***How much does it cost?*** A deposit of \$75.00 is required to schedule a hearing. Costs incurred will include postage and the publication of the notice for the hearing. Applicants are billed for costs in excess of the deposit.

***How much time do I have to file for a hearing?*** Once you have received notice of the decision of the Zoning Enforcement Officer, you have twenty (20) days to file with the Board of Zoning Appeals. If you exceed this time limit, your original application will be void and you must file a new application.

***How long does it take to have a hearing once I file the application?*** The Board of Zoning Appeals meets on the first and third Wednesdays of each month at 5:30 pm. The Zoning Code required that notice of the public hearing be published ten (10) days prior to the hearing. The *Mount Vernon News* requires three days of lead-time prior to publication of the notice. From the time you apply to your actual hearing date will generally be three weeks. The Board must hold a hearing within thirty (30) days of the receipt of an application for hearing.

***What do I have to file with my application?*** What additional documents you will need to file depends on the type of hearing you are requesting. Your application for the hearing will be accompanied by information detailing what you would need to submit.

***How will I know when the hearing will be held and do I have to be there?*** A copy of the notice will be mailed to you. The notice gives the date, time and location of the hearing as well as citing the nature of the request. The Board asks that the applicant or their representative appear at the hearing to answer any questions and provide information on the request. The Board may deny your request if no one represents you at the hearing.

***When will I know the Board's decision?*** By Code, the Board must take action within thirty (30) days after the public hearing. In most cases, the Board will give their decision at the hearing.

***What if I don't agree with the decision?*** You have the right to appeal the Board of Zoning Appeals decision. This must be done through the Common Pleas Court. This appeal must be made within thirty (30) days of the Board's written decision.

The member shall be given an opportunity to be heard and answer such charges. Vacancies shall be filled by appointment by the Mayor, with the approval of council, and shall be for the unexpired term.

(Ord. 2014-08. Passed 4-28-14.)

#### **1155.06 BOARD OF ZONING APPEALS; MEETINGS.**

(a) The Board of Zoning Appeals shall meet at the call of the chairman or a majority of the members of the Board of Zoning Appeals or upon a schedule determined by the Board of Zoning Appeals. All meetings are public meetings and records of all proceedings shall be kept including the vote of each member on each issue, members present or absent, the facts of each matter considered and other minutes of the meeting. All records of proceedings shall be made available for public inspection, and copies shall be provided by the secretary of the Board of Zoning Appeals to each member of Council.

Council shall consider removing such member. The chairman, or in his absence the acting chairman, may administer oaths and compel the attendance of witnesses.  
(Ord. 2005-34. Passed 12-12-05.)

#### **1155.07 BOARD OF ZONING APPEALS; PROCEDURE.**

Four (4) members of the Board shall constitute a quorum. The Board shall act by resolution, and the concurring vote of three (3) members of the Board shall be necessary to reverse an order of determination of the Zoning Enforcement Officer, to decide in favor of an applicant in any matter over which the Board has original jurisdiction under this Zoning Ordinance, or to grant any variance from the requirements stipulated in this Zoning Ordinance.  
(Ord. 2014-08. Passed 4-28-14.)

#### **1155.08 BOARD OF ZONING APPEALS; POWERS AND DUTIES.**

In exercising its duties, the Board may, as long as such action is in conformity with the terms of this Zoning Ordinance reverse or affirm, wholly or partly, or modify the order, requirements, decision, or determination appealed from and may make such order, requirement, decision, or determination as ought to be made, and to that end shall have the powers of the Zoning Enforcement Officer from whom the appeal is taken. For the purpose of this Zoning Ordinance the Board has the following specific responsibilities:

- (a) To hear and decide appeals where it is alleged there is an error in any order, requirement, decision, interpretation, or determination made by the Zoning Enforcement Officer.
- (b) To authorize such variances from the terms of this Zoning Ordinance as will not be contrary to the public interest, where, owing to the special conditions, a literal enforcement of this Zoning Ordinance will result in unnecessary hardship, and so that the spirit of this Zoning Ordinance shall be observed and substantial justice done.
- (c) To grant conditional use permits as specified in the Schedule of District Regulations and under the conditions specified in Section 1155.22 and such additional safeguards as will uphold the intent of this Zoning Ordinance.
- (d) To hear and decide requests for the interpretation of the Zoning Map.

(Ord. 2005-34. Passed 12-12-05.)

#### **1155.09 DUTIES OF ZONING ENFORCEMENT OFFICER, BOARD OF ZONING APPEALS, LEGISLATIVE AUTHORITY AND COURTS OF MATTERS OF APPEALS.**

It is the intent of this Zoning Ordinance that all questions of interpretation and enforcement shall be first presented to the Zoning Enforcement Officer, and that such questions shall be presented to the Board only on appeal from the decision of the Zoning Enforcement Officer, and that recourse from the decisions of the Board shall be to the courts as provided by law. It is further the intent of this Zoning Ordinance that the duties of the City Council in connection with this Zoning Ordinance shall not include hearing and deciding questions of interpretation and enforcement that may arise. The procedure for deciding such questions shall be as stated in this section and this Zoning Ordinance. Under this ordinance the City Council shall have only the duties of considering the adopting or rejecting proposed amendments or the repeal of this Zoning Ordinance as provided by law, and of establishing a schedule of fees and charges as stated in Section 1153.14. Nothing in this Zoning Ordinance shall be interpreted to prevent any official of the City from appealing a decision of the Board to the courts as provided in Chapters 2505 and 2506 of the Ohio Revised Code. Any such appeal shall be made within thirty (30) days of the Board's written decision.

(Ord. 2014-08. Passed 4-28-14.)

#### **1155.10 PROCEDURES AND REQUIREMENTS FOR APPEALS AND VARIANCES.**

Appeals and variances shall conform to the procedures and requirements of Sections 1155.11 to 1155.21 inclusive. As specified in Section 1155.09, the Board of Zoning Appeals has appellate jurisdiction relative to appeals and variances.

(Ord. 2005-34. Passed 12-12-05.)

#### **1155.11 APPEALS.**

Appeals to the Board of Zoning Appeals concerning interpretation or administration of this Zoning Ordinance may be taken by any person aggrieved or by any officer or bureau of the legislative authority of the City affected by any decision of the Zoning Enforcement Officer. Such appeal shall be taken within twenty (20) days after the decision by filing, with the Zoning Enforcement Officer and with the Board of Zoning Appeals, a notice of appeal specifying the grounds upon which the appeal is being taken. The Zoning Enforcement Officer shall transmit to the Board of Zoning Appeals all the papers constituting the record upon which the action appealed from was taken.

(Ord. 2005-34. Passed 12-12-05.)

#### **1155.12 STAY OF PROCEEDINGS.**

An appeal stays all proceedings in furtherance of the action appealed from, unless the Zoning Enforcement Officer from whom the appeal is taken certifies to the Board of Zoning Appeals after the notice of appeal is filed with him, that by reason of facts stated in the application, a stay would, in his opinion, cause imminent peril to life and property. In such case, proceedings shall not be stayed other than by a restraining order which may be granted by the Board of Zoning Appeals or by a court of record on application, on notice to the

Zoning Enforcement Officer from whom the appeal is taken on due cause shown.  
(Ord. 2004-34. Passed 12-12-05.)

#### **1155.13 VARIANCE.**

The Board of Zoning Appeals may authorize upon appeal in specific cases such variance from the terms of this Zoning Ordinance as will not be contrary to the public interest where, owing to special conditions, a literal enforcement of the provisions of this Zoning Ordinance would result in unnecessary hardship. No nonconforming use of neighboring lands, structures, or buildings in the same district and no permitted or nonconforming use of lands, structures, or buildings in other districts shall be considered grounds for issuance of a variance. Variances shall not be granted on the grounds of convenience, financial hardship or profit, but only where strict application of the provisions of this Zoning Ordinance would result in unnecessary hardship.  
(Ord. 2005-34. Passed 12-12-05.)

#### **1155.14 APPLICATION AND STANDARDS FOR VARIANCES.**

Except as otherwise permitted in this Zoning Ordinance, no variance in the strict application of the provisions of this Zoning Ordinance shall be granted by the Board of Zoning Appeals unless the Board shall find that the written application for the requested variance contains all of the following requirements.

(a) Name, address, and phone number of applicant(s).

(b) Legal description of property.

(c) Description or nature of variance requested.

(d) A fee as established by ordinance.

(e) Narrative statements establishing and substantiating that the variance conforms to the following standards:

(1) The granting of the variance shall be in accord with the general purpose and intent of the regulations imposed by this Zoning Ordinance on the district in which it is located, and shall not be injurious to the area or otherwise detrimental to the public welfare.

(2) The granting of the variance will not permit the establishment of any use which is not otherwise permitted in the district.

(3) There must exist special circumstances or conditions, fully described in the findings, applicable to the land or buildings for which the variance is sought, which are peculiar to such land or buildings and do not apply generally to land or buildings in the area, and which are such that the strict application of the provisions of this Zoning Ordinance would deprive the applicant of the reasonable use of such land or building. Mere loss in value shall not justify a variance; there must be deprivation of beneficial use of land.

(4) There must be proof of hardship created by the strict application of this Zoning Ordinance. It is not sufficient proof of hardship to show that greater profit would result if the variance were granted. Furthermore, the hardship complained of cannot be self-created; nor can it be established on this basis by one who purchases without knowledge of the restrictions; it must result from the application of this Zoning Ordinance; it must be suffered directly by the property in question; and evidence of variances granted under similar circumstances need not be considered.

(5) The granting of the variance is necessary for the reasonable use of the land or building, and the variance as granted is the minimum variance that will accomplish this purpose.

(6) The proposed variance will not impair an adequate supply of light and air to adjacent property, substantially increase the congestion in the public streets, increase the danger of fire, endanger the public safety, or substantially diminish or impair property values of the adjacent area.

(7) The granting of the variance requested will not confer on the applicant any special privilege that is denied by this regulation to other lands, structures, or buildings in the same district.

(Ord. 2005-34. Passed 12-12-05.)

#### **1155.15 SUPPLEMENTARY CONDITIONS AND SAFEGUARDS.**

Under no circumstances shall the Board of Zoning Appeals grant an appeal or variance to allow a use not permissible under the terms of this Zoning Ordinance in the district involved, or any use expressly or by implication prohibited by the terms of this Zoning Ordinance in said district. In granting any appeal or variance, the Board of Zoning Appeals may prescribe appropriate conditions and safeguards in conformity with this Zoning Ordinance. Violation of such conditions and safeguards, when made a part of the terms under which the appeal or variance is granted, shall be deemed a violation of this Zoning Ordinance and punishable under Section 1153.12.

(Ord. 2005-34. Passed 12-12-05.)

#### **1155.16 PUBLIC HEARING BY THE BOARD OF ZONING APPEALS.**

The Board of Zoning Appeals shall hold a public hearing within thirty (30) days after the receipt of an application for an appeal or variance from the Zoning Enforcement Officer of an applicant.

(Ord. 2005-34. Passed 12-12-05.)

#### **1155.17 NOTICE OF PUBLIC HEARING IN NEWSPAPER.**

Before holding the public hearing required in Section 1155.16, notice of such hearing shall be given in one or more newspapers of general circulation of the City at least ten (10) days before the date of said hearing. The notice shall set forth the time and place of the public hearing, and the nature of the proposed appeal or variance. Failure of a newspaper to accurately or timely publish a properly submitted notice does not invalidate the granting or denial of a variance. (Ord. 2005-34. Passed 12-12-05.)

#### **1155.18 NOTICE TO PARTIES IN INTEREST.**

Before holding the public hearing required in Section 1155.16, written notice of such hearing shall be mailed by the chairman of the Board of Zoning Appeals, by first class mail, at least ten (10) days before the day of the hearing to all parties in interest. "All parties in interest" shall include, but not be limited to, the following: applicant, adjacent property owners, and person(s) making the appeal. The notice shall consist of the same information as required of notices published in newspapers as specified in Section 1155.17.
