JUNE 2022

UTILITY NEWS

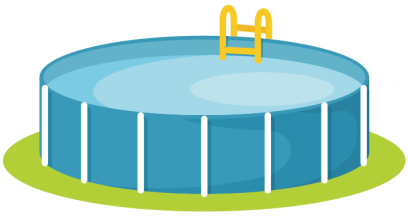
Mount Vernon
An Innovative Community; Authentically Hometown

June Shut-offs:

If your bill has a balance forward amount listed, your water may be up for shut off. Any account with an unpaid amount from the April 15th bill will be shut off on June 7th and 8th. Please make sure to get your payment to us by June 6th to avoid shutoff and the $40 non-payment fee.

Lime Sludge:

At the Mount Vernon Water Treatment Plant there are thousands of tons of lime available to the local farming community free of charge. Beginning on June 1, 2022, Kokosing Construction Company will be removing lime sludge from the City's lime lagoons on the City's west side. Kokosing will load out the material free of charge at the site to local farmers during the duration of the project which is anticipated to continue through mid-June. Call Maureen Hall at 740-393-9520 for more information.



Filling a Pool?

Please call our office at (740) 393-9504 or email waterclk4@mountvernonohio.org to let us know you are filling a pool. This will help us as we notify customers of high usage. A one time pool credit is available at the end of the season on the wastewater portion of your bill. To qualify, you must have an anti-siphon spigot or a vacuum breaker properly installed on your existing spigot and you will need to return a completed pool credit form to our office by September. These can be found on our website at www.mountvernonohio.org under the "Documents Library".

2021 Consumer Confidence Report:

The 2021 Annual Water Quality Report is now available! Please visit the following URL to view your 2021 annual water quality report and learn more about your drinking water: https://mountvernonohio.org/wp-content/uploads/2022/05/Water-Consumer-Confidence-Report-2021.pdf. This report contains important information about the source and quality of your drinking water. To speak with someone about the report or if you would like a paper copy of the 2021 Annual Water Quality Report, please call (740) 393-9504 or pick one up at our office at 3 N. Gay St.

Did you know...

Our drinking water scored in the top 10% at the 2022 International Water Tasting Festival held annually in Berkeley Springs, West Virginia!
