## March Shut-offs:

If your bill has a balance forward amount listed, your water may be up for shut off. Any account with an unpaid amount from the January 15<sup>th</sup> bill will be shut off on March 7<sup>th</sup> and 8<sup>th</sup>. Please make sure to get your payment to us by March 6<sup>th</sup> to avoid shut-off and the \$40.00 non-payment fee.

## Water Rate Increase

The City of Mount Vernon is raising its water rate for the first time since 2017, effective Wednesday, March 1, 2023. Water customers will first see the 5 percent increase reflected in the bill they receive in April.

## Credit Balance On Bills

If you have a credit balance on your bill it will show in parentheses

Example: (55.70) or (105.40)
